Welcome to our Office!

We are glad that you have chosen us as your dental healthcare provider. Enclosed are the forms you will need for your 1st appointment. Please fill them out and bring them with you. If you have a list of medications you are taking, you may bring that also, so that we may scan it into your chart.

If you have dental insurance, please bring the insurance card with you so that we may file all necessary claims for you. We do collect co-pay at time of service. We accept cash, check and most major credit cards.

All patients under the age of 18 years old will need a parent or guardian present at their appointments for approval of needed x-rays, any required signatures, or questions the doctor/hygienist might have.

Please arrive 15 minutes prior to your appointment to allow us time to enter all your new patient information into our system. This allows the doctor/hygienist to utilize your full appointment time.

We ask that you make any changes/cancellations to your appointment at least 48 hours ahead of the appointment, so that we will be able to offer the time to another patient. If appointment is on a Monday, please change/cancel by Thursday.

We look forward to seeing you
